

Speaking Hope to the World

Dear Friend,

TWR Asia Golf Challenge 2015

More than 30 years of war and violence have taken a toll on Afghanistan's way of life. Its neighbor, Pakistan, faces economic and social issues that are aggravated by terrorism and natural disasters. Further south, after a 27-year civil war, Sri Lanka is at a defining moment and there is "the possibility of a new period of sustained peace and prosperity."¹

In the midst of uncertainty—bombings, war and religious discrimination²—TWR (Trans World Radio) is speaking the hope of Jesus Christ to the people in these parts of South Asia.

TWR is the most far-reaching Christian media network in the world. For the last 60 years, we have been speaking the hope of Christ into the broken lives of millions. Our Christian radio programs and text messages let them know they can find peace in Jesus Christ.

"I collect your verses and read them again and again," said one South Asian listener who receives our SMSs. "I have learned so much from them."

Since 2013, TWR's South Asia ministry has added five languages to reach people in these specific countries.

In support of this ministry, this year we will be holding our TWR Asia Golf Challenge on **Wednesday, 8 July 2015** at **Jurong Country Club**. We also have the following hole-in-one prizes: a Toyota Harrier SUV (sponsored by Richburg Motors), a Mitsubishi system-3 air conditioner (sponsored by NAT Aire Builder), and a one year Term Membership (sponsored by Jurong Country Club).

We thank God for your invaluable support in the past, and pray that you will support us once again as we aim to raise \$120,000 through this event. For more information, please refer to our flyer enclosed or visit www.twr.asia.

We have also enclosed a response form with various ways in which you may support the ministry: by donating in cash or in kind, by playing golf, or simply by attending the dinner. If you are a business owner, you may also want to consider our sponsorship options for promoting your brand.

We look forward to your favorable response, and pray you will partner us. If you have any queries, please call me at 6501-5155 or 9798-0911, or send me an e-mail at euglim@twr.org.

May God bless you!
Warmly in Christ,

Eugene Lim, PBM, CPA, CCNL
Director of Resource Development
TWR Asia

"THERE ARE THREE THINGS I WANT:
TO LEARN THE BIBLE; TO BE ABLE TO
WORSHIP WITH OTHER BELIEVERS;
AND TO LIVE IN A FREE COUNTRY."

What if you could help people in South Asia experience hope in spite of their circumstances?

In this region, mass media is the only way for millions to learn about the love of Christ. High radio listenership and mobile phone subscriptions make using mass media a strategic approach to sharing the gospel in places like Afghanistan, Pakistan and Sri Lanka.

"Although I have listened to other Christian programs, this program has changed my life entirely," said a man, who started a listener club because of the burden he feels to share the program with others. "Now, I urge my family, friends and other people I meet to listen to this program because it is a blessing from God."

Join us for TWR Asia Golf Challenge 2015, and help reach people in South Asia with the hope of Jesus!

TWR harnesses the power of mass media to speak the hope of Christ to the unreached. We broadcast sound Christian content in 62 languages to the region of South Asia, and more than 230 languages globally.
